F. N. Grimes Dies Monday

Frank N. Grimes, 71, prominent Statesboro citizen for many years, died at his residence early Monday morning, following an illness of several weeks.

Mr. Grimes, a native of Bulloch county, was a large planter and widely known and beloved throughout his section of the state, where he had a large family connection. Despite his age, Mr. Grimes was very active until a short time ago and served as chairman of the Bulloch County Draft Board from its organization until its office was closed here in the spring.

Mr. Grimes is survived by his wife, two daughters, Mrs. Leodea Coleman and Mrs. Virginia Grimes Evans, both of Statesboro; one granddaughter, Miss Anne Evans, of Statesboro; one sister, Mrs. M. Y. Allen, of Mount Airy, N. C.

Funeral services were held at the residence on Savannah Avenue Tuesday afternoon with the Rev. Earl Serson in charge of the services. Burial was in East Side cemetery. Active pallbearers were selected from the board of deacons of the First Baptist Church, of which Mr. Grimes was a member and an active deacon. They included: J. L. Mathews, W. D. Anderson, Dr. H. F. Hook, W. G. Cobb, Glenn Jennings and S. D. Grover. Smith-Tillman Mortuary was in charge of funeral arrangements.

When a member receives a hog from Scars-Roebuck one of the pigs from the first brood is given to another FFA member and in this "chain" fashion the plan will eventually place quite a large number of purebred hogs through the state.

Members of the Stilson group have entered their hogs in shows in Stilson and Savannah. In Savannah recently their hogs won four out of five possible top honors. They have brought home awards to their FFA chapter through the showing of these purebreds. (Cut Courtesy Georgia Farm Bureau News.)

There will be a meeting of all persons interested in a memorial to the late Eugene Talmadge, former governor of Georgia, at the courthouse in Statesboro on Saturday, September 20, at 3:30 p. m., according to W. G. Neville.

She has secured the services of Miss Mabel Nixon and Miss Martha Nixon as managers for the new restaurant.

Mrs. Anderson announces a contest to name the new business and to the person choosing the winning name she will give \$25 worth of meat tickets. Names entered in the contest should be submitted to Mrs. Anderson within ten days.

Henry's Announces Opening of New Shoe Department

An announcement of interest to shoppers in Statesboro is that made this week by Henry Moses in announcing the opening of a newly remodeled shoe department in his store on East Main.

The department has been completely refurnished, Mr. Moses said, and through the use of a careful color scheme, takes its place among the most modern and most attractive shoe departments in the city. A new deep rug contrasts pleasantly with the light blue leather upholstered chairs. Fluorescent lighting has also been installed.

## General Says Be Prepared Paving Contract Let By Council

Mayor Gilbert Cone this week announced the awarding of a contract for paving of North College Street from the point where it intersects Portal highway to where it crosses West Jones Avenue, and for paving of Grady Street from South Main to the Bulloch County Hospital.

The contract was awarded to Riddle Huber and Co., of Greenwood, S. C., the Mayor said, and work will begin about October 1. The paving is to be completed in 120 working days or about March 1.

Other streets in the city will be paved for short distances, Mr. Cone said, but the College Street project and the Grady Street work will make up the bulk of paving being done.

The completion of this work will culminate months of planning and preliminary work on the part of the City Engineer, the Mayor said. "For some time we have wanted to get these streets paved but shortage of materials has been a barrier."

The paving of Grady Street from South Main to the hospital will open a paved by-pass for emergency trips coming in from the southern part of the city and county, the Mayor said. Heretofore, ambulances had to go right through the middle of town in order to remain on a paved street.

The paving of College Street will give northside residents a paved route to the city schools without having to pass through the center of town.

Ladies Night At Register

Ladies Night will be observed at the next regular meeting of the Register Farm Bureau scheduled to be held Thursday night, Sept. 18, at 8:30.

Congressman Prince H. Preston, Jr., will be present and guest speaker for the occasion. An invitation is extended to county officers and local community presidents throughout the county, according to announcement made by R. G. Dekle, president of the Register chapter.

The meeting will take place in the Register gymnasium. A cordial invitation is extended to all members and their wives of the Register chapter to be present and take part in the annual celebration.

Legion Post Sponsors Dance September 17

The Georgia Bulldogs orchestra, wearers of the famous Red and Black, are scheduled to play for a dance at Statesboro high school gymnasium on Wednesday night, September 17. The dance is sponsored by Dexter Allen Post 90 of the American Legion.

The dance will begin promptly at 9 o'clock and admission will be \$1.20 stag, or \$2.00 with date.

With fifteen of Georgia's best young musicians in its ranks, the Bulldogs have surpassed their pre-war excellence. The orchestra's repertoire of distinct stylings, done by Charles (Count) Dillingham, includes not only the "hot" numbers which appeal to younger folk, but also the "smooth" and sweet music for older persons.

WARNOCK P. T.-A. MEETS FRIDAY, SEPTEMBER 19

## What the New National Guard means to you...

A Message from the President of the United States

WE owe our existence as a nation to the tradition of service of our citizens. It was an army of citizen soldiers which George Washington led to victory in the American Revolution. At the end of that war, the first Congress asked General Washington to give his views on what the military policy of the new nation should be. This was his answer:

"... every citizen who enjoys the protection of a free government, owes not only a proportion of his property but even of his personal services to the defense of it."

Today the new National Guard gives every man an opportunity to give that personal service to his country and at the same time to advance himself. In National Guard units all over the country thousands of veterans and other ambitious young men are finding the opportunity to study and learn the things that help them advance in their civilian jobs. They are finding the fellowship that is part and parcel of America. They are participating in a sports and recreation program that keeps them fit. And they are receiving the training that helps keep America strong.

Here's how the National Guard helps you

Woman's World  
Skirts Require Expert Fitting  
To Solve Your Figure Problems

By Etta Haley

"AS LONG as I can have skirts and blouses, I can manage my wardrobe very sensibly," one hears women say. It's true, provided their skirts are well fitted and the waistline draws attention to the hips. That's why a skirt is demanding of the figure, and must be expertly fitted to suit the wearer perfectly.

There's little to hide the natural hips in most of the skirts—except those that hang straight and the cut-off at the waistline draws attention to the hips. That's why a skirt is demanding of the figure, and must be expertly fitted to suit the wearer perfectly.

If yours is the ideal figure, and by that I mean one that is well proportioned, especially through the hips, you may wear skirts that are somewhat full. You also may wear the more tailored type that gives the pencil-slim-skipped look.

On the other hand, the woman with the full hips figure must choose her skirts with considerable care. This type of skirt must be built on slim lines, but should never be too tight, as this will only emphasize the fullness. The waistline will have to be carefully adjusted, and so will the length, and many cases will require the help of an expert to assist you in the fitting problem.

Color is naturally very important in the choice of a skirt, and it must be both flattering to the wearer as well as most compatible with her figure type. If you are concentrating on skirts, choose colors from the hue type you get the most wear, and those which fit well into your wardrobe.

Inner Belt Useful

For many ways of finishing a waistline on the skirt so that it hangs smoothly. The waist may be finished with a binding, which is fine if you have a slender waist line minus bulging. You also may use a stitched on fabric belt, or what is

Skirts are suitable only if they...

even better in the case of a problem waistline, is the inner belt which will keep waistlines firm.

Inside belts are made of a stiff material which you can purchase at a notions counter. If this is not available, you may cut a straight strip of buckram and fit it with darts to go over the natural waistline. This may even be bordered at intervals if you want a particular kind of stiffness with which to help keep the waistline narrow.

The skirt edge is stitched to the belt, and then the belt is turned under so that it does not show above the skirt.

Another way of attaching the belt is to turn in the ends of the inner belt and attach hooks and eyes close together. The skirt edge is turned over this belt and it is held in place by catch stitches so no stitching shows on the outside.

The beltline should never be fitted tightly so that flesh bulges over it. This will only make the wearer look larger.

Use Care in Sewing Pleated Skirts

Now that more fabric is available and pleats are back in a big way, you may want to choose a pleated skirt for the wardrobe. If you are slender and well proportioned, you

• Fit the wearer perfectly.

may choose a skirt with pleating all around. If you are on the heavier side, use pleating conservatively, with a decorative pleat at the front or in back and front.

For quick pleats you will need pleating to make them lie flat. It's best to use a pattern for the particular type so that you will have just the right amount of material.

In pleating a skirt, mark the pleats carefully, using a gauge, and don't spare the basting thread if

SEARS-ROEBUCK GIVES  
CHICKENS TO 4-H'ERS  
In an effort to establish purebred poultry flocks on Bulloch county farms and to teach recommended poultry practices to our younger citizens, Sears Roebuck and Co. has given 506 New Hampshire Red chickens to six 4-H club boys and girls in the county.

The chickens were distributed and grown as follows: W. J. Cane received 102 chickens, raised 101; George Sabb, Jr., 101, raised 99; James Smith 100, raised 85; E. J. Florence 51, raised 50; Earl P. D. Florence 51, raised 50. This shows that 475 out of 506 chicks were raised to maturity. This is 95 per cent livability, considered fair for beginners.

The chickens are now healthy pullets, just beginning to lay. Their health makes them pets as well as a source of food.

To further teaching in this enterprise a poultry show will be held at Statesboro High and Industrial School Thursday afternoon, Sept. 11, at 2 o'clock. At this show birds will be exhibited, judged, and a demonstration and discussion will be conducted by Arthur Gannon, State Extension Poultry Specialist, after which Mrs. Sara P. Miller, manager of Sears Roebuck Order Office in Statesboro, will award prizes.

The public is invited to attend this show.

The Bulloch County Board of Education, County School Superintendent, and the Visiting Teachers College, will be inaugurated in special ceremonies at the college Tuesday, September 30.

The speaker for the occasion will be Governor M. E. Thompson, and the ceremonies will take place in the college auditorium, 11:00 a. m. The public is cordially invited to witness the ceremony.

Dr. Raymond P. Ward, Chancellor of the University System of Georgia, will invest Dr. Ward with the authority, powers and privileges of his office.

Invited as special guests for the occasion are educational officials throughout the state, including members of the Board of Regents and A. Hollis Edens, Vice-Chancellor in charge of education of the University System.

Dr. Guy H. Wells, president of G. S. C. W. Milledgeville, and a past president of the college here, has signified his intention to be present.

Dr. Ward has issued a cordial invitation to teachers in the state to attend, pointing out that the state devoted exclusively to training teachers. The new president pointed also to Governor Thompson's background as an educator and said he felt the Governor was well suited to speak on an occasion such as this.

'Blue Devils' are Training For First Game  
With the first game only one week away, Coach Ernest Teel of the Statesboro High "Blue Devils," says he is "pretty well satisfied with the way his team looks this season. Statesboro will open the season with a game against E. C. I. on Friday, September 26, on the local field.

The coach points out that his team will be somewhat stronger this season with several letter-men returning from last year's squad, but he warned fans against over-optimism, commenting that one team in the district was so strong that "first-stringers" of last season could not handle the first team this year. He named Sylvania and Millen as championship threats this year.

The 1947 edition of the "Blue Devils" sports the single-wing system and Coach Teel says several men have been standing out in practice sessions during the past few weeks. Fullback Robert Parrish, who may substitute as center, has been out of the foot, but Coach Teel says he will be ready for the opening game.

In commenting on the practice sessions the coach said Fuller Hunnicutt had been looking good on reverses and Harold DeLoach and Ben Robert Nesmith had shown promise as good ball carriers. Ashton Cassidy, who is slated to fill one of the guard positions, may also be used as a relief fullback. Mr. Teel said, since Cassidy has shown up well at that spot.

In the line he named Lou Simmons, a star of last season, one of the strongest men, and he also named Buck Akins and Earl Alderman as showing up in practice. The coach says the main weakness of the team at this point is in timing, but added that this will be ironed out with a few more days of practice.

Included on the team roster are (ends) Lou Simmons, Jerry Howard, Brannen Purser, C. P. Claxton, J. D. Nesmith, D. Light Spencer; (tackles) Sidney Peskin, Buck Akins, Talmadge Rushing and Charles Sims; (guards) Earl Alderman, Ashton Cassidy, Mike McDougald, Robert Zetterwer, Oscar Hendrix and Howard Allen; (center) Harold DeLoach, Ben Robert Nesmith and Jack Upchurch; (right halfbacks) Fuller Hunnicutt, Emory Nesmith and Bobby Olliff; (quarterbacks) Don Heeter, Tommy Blitch and Tommy Powell; (fullbacks) Robert Parrish.

Statesboro is growing... fast. Are you doing your part in promoting your home town?

Thirteen Jaycee Suggestions Adopted By Local City Council  
Thirteen suggestions for a better Statesboro presented to the Mayor and City Council by the Junior Chamber of Commerce, adopted this week.

In October, 1946, the group sent to the civic officials a mimeographed booklet listing 44 suggestions for improving city government and 19 other suggestions of a general nature. At that time the Jaycees informed the Mayor and Council that these projects could not be undertaken by the Jaycees alone, but would require the cooperation of all the citizens.

With thirteen of these suggestions having been adopted and others likely to be adopted soon, Mr. McDougald said the Jaycees would like to publicly congratulate the city officials. Among the achievements list for congratulations are the city's opening of Courtland and North Mulberry streets, the placing of new uniform traffic signs, repainting the water tanks, acquiring a new garbage disposal plant, starting an extension of water mains, beginning work on a city-county radio

Dr. Judson Ward  
To Be Installed  
Sept. 30 at GTC

Dr. Judson C. Ward, newly-appointed president of Georgia Teachers College, will be inaugurated in special ceremonies at the college Tuesday, September 30.

The speaker for the occasion will be Governor M. E. Thompson, and the ceremonies will take place in the college auditorium, 11:00 a. m. The public is cordially invited to witness the ceremony.

Dr. Raymond P. Ward, Chancellor of the University System of Georgia, will invest Dr. Ward with the authority, powers and privileges of his office.

Invited as special guests for the occasion are educational officials throughout the state, including members of the Board of Regents and A. Hollis Edens, Vice-Chancellor in charge of education of the University System.

Dr. Guy H. Wells, president of G. S. C. W. Milledgeville, and a past president of the college here, has signified his intention to be present.

Dr. Ward has issued a cordial invitation to teachers in the state to attend, pointing out that the state devoted exclusively to training teachers. The new president pointed also to Governor Thompson's background as an educator and said he felt the Governor was well suited to speak on an occasion such as this.

'Blue Devils' are Training For First Game  
With the first game only one week away, Coach Ernest Teel of the Statesboro High "Blue Devils," says he is "pretty well satisfied with the way his team looks this season. Statesboro will open the season with a game against E. C. I. on Friday, September 26, on the local field.

The coach points out that his team will be somewhat stronger this season with several letter-men returning from last year's squad, but he warned fans against over-optimism, commenting that one team in the district was so strong that "first-stringers" of last season could not handle the first team this year. He named Sylvania and Millen as championship threats this year.

The 1947 edition of the "Blue Devils" sports the single-wing system and Coach Teel says several men have been standing out in practice sessions during the past few weeks. Fullback Robert Parrish, who may substitute as center, has been out of the foot, but Coach Teel says he will be ready for the opening game.

In commenting on the practice sessions the coach said Fuller Hunnicutt had been looking good on reverses and Harold DeLoach and Ben Robert Nesmith had shown promise as good ball carriers. Ashton Cassidy, who is slated to fill one of the guard positions, may also be used as a relief fullback. Mr. Teel said, since Cassidy has shown up well at that spot.

In the line he named Lou Simmons, a star of last season, one of the strongest men, and he also named Buck Akins and Earl Alderman as showing up in practice. The coach says the main weakness of the team at this point is in timing, but added that this will be ironed out with a few more days of practice.

Included on the team roster are (ends) Lou Simmons, Jerry Howard, Brannen Purser, C. P. Claxton, J. D. Nesmith, D. Light Spencer; (tackles) Sidney Peskin, Buck Akins, Talmadge Rushing and Charles Sims; (guards) Earl Alderman, Ashton Cassidy, Mike McDougald, Robert Zetterwer, Oscar Hendrix and Howard Allen; (center) Harold DeLoach, Ben Robert Nesmith and Jack Upchurch; (right halfbacks) Fuller Hunnicutt, Emory Nesmith and Bobby Olliff; (quarterbacks) Don Heeter, Tommy Blitch and Tommy Powell; (fullbacks) Robert Parrish.

Thirteen Jaycee Suggestions Adopted By Local City Council  
Thirteen suggestions for a better Statesboro presented to the Mayor and City Council by the Junior Chamber of Commerce, adopted this week.

In October, 1946, the group sent to the civic officials a mimeographed booklet listing 44 suggestions for improving city government and 19 other suggestions of a general nature. At that time the Jaycees informed the Mayor and Council that these projects could not be undertaken by the Jaycees alone, but would require the cooperation of all the citizens.

With thirteen of these suggestions having been adopted and others likely to be adopted soon, Mr. McDougald said the Jaycees would like to publicly congratulate the city officials.
